

HYPE Dance Studio - Picture Schedule

**All pictures will be taken by AVALON PHOTOGRAPHY at HYPE Dance Studio
on Saturday, May 22.**

All dancers MUST arrive 15 minutes prior to your scheduled picture time.

Please arrive in full costume, hair, and makeup - ready to go for pictures! It is very important to arrive on time and be ready to go in order to stay on schedule for the day. Late arrivals may miss their pictures!

Dancers that are in more than one routine, please arrive in your 1st costume. You may change here @ HYPE in the dressing room into your next costume. Make sure to bring all pieces to your costumes!

IMPORTANT INSTRUCTIONS:

- Please fill out your AVALON Picture form ahead of time (you can get at front desk)
- Each dance needs its own picture envelope. You may not combine for multiple dances.
- One payment may be made for all pictures and will be taken at HYPE at your scheduled picture time.
- Review the offered picture packages and select one for each dance. ("A La Carte" selections allow you to create your own custom picture package!)
- Group AND Individual pictures will be taken at your class's allotted time slot.
- If you do not wish to purchase any pictures, we still need all dancers here in order to get the group picture.
- Pictures will be ready to pick up at the HYPEbole dress rehearsal on Wednesday, June 2.
You may also pick up pictures at HYPE during our Summer Session.
Pictures will not be mailed.

Please review the following schedule for your class pictures:
